

TWO REPORT FOR WORK AS FIRE CHIEF

BOTH HARRY RAGSDALE AND
CHARLES BERGEN ON
DUTY SATURDAY

AT CITY FIRE DEPARTMENT

Ragsdale Says City Will Have To
Pay Charges In Commenting
On Dismissal Report

An unexpected shakeup in the city fire department was made public Saturday morning when Charles Bergen appeared to assume the duties of Greencastle fire chief succeeding Harry Ragsdale. This change in the personnel at the local fire station comes as quite a surprise to most citizens due to the fact that Ragsdale has been a fireman for the past four years and has held the office of fire chief for six years.

Bergen's appointment was made by Mayor W. D. James with the approval of the Board of Works, composed of the mayor, Councilman Robert Stoner, and city attorney John Allee. The new fire chief has been a driver for the Stoner taxi company for several years and has also assisted the night police force the past year. He is Republican precinct committeeman of the North Fourth Ward.

The ex-fire chief first became a fireman during the term of Charles McCaughey as mayor. He served during the administration of the late W. L. Denman and was named fire chief in 1935 by the late Charles F. Zeis. During his years at the fire department Mr. Ragsdale has made many friends.

When questioned Saturday morning, Ragsdale announced that the Board of Works will have to file charges against him. He said he intended to continue his work despite dismissal which means that the case will have to be carried into court for settlement.

WEENNER WILL SPONSOR FREE SHOW MONDAY NIGHT

The "Blue Ribbon Varieties of 1941," a full two hour gala show with radio stars, music and comedy will be given at the Greencastle High School Auditorium under the auspices of the Weensner Implement Co. of Greencastle on Monday evening, January 13th, at 7:00 p. m. There will be no admission charge.

According to Mr. Weensner a varied and entertaining program has been arranged. The headlines will be, Harry Bason, musical director of station WIRE, who has acquired a reputation as an entertainer and creator of "Basonology," Triple Diamond Trio, who will render old ballads of the west as well as popular songs of the day, Patsy Belle, who presents songs in an inimitable way, and Daffy Dan, whose specialty is comedy dances and amusing songs. The public of Greencastle and Putnam county are invited to this entertainment.

DR. WILDMAN SPEAKS TO WESTERN ALUMNI

Dr. Clyde E. Wildman, president, is on the west coast attending a number of educational meetings and speaking for Alumni Association gatherings in various California cities.

President Wildman spoke before a large group of DePauw Alumni in Los Angeles on January 3, and is slated to address the San Francisco Alumni group on January 13.

The President plans to return to the campus on Monday, January 16.

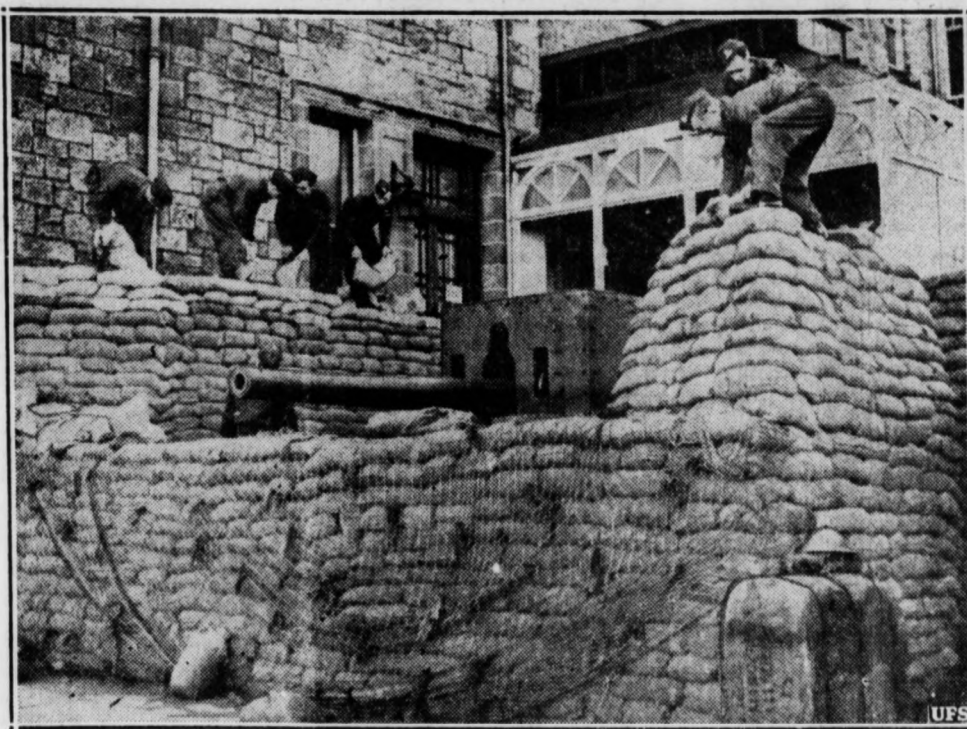

1 KILLED; 8 INJURED

PORTLAND, Ind., Jan. 11—(UP)—One person was killed and eight others injured, five seriously, in an automobile-truck crash two miles west of here last night.

The victim was Mrs. Etta Wester, 36, Albany, driver of the automobile. Seven Albany residents, all passengers in the Westcoast car, and truck driver Floyd James, 37, Austin, were treated at a Portland hospital. James suffered fractures of both legs.

County Recorder In Year's Report

SHARP DIFFERENCE IN ITEM
OF MORTGAGES NOTED IN
ANNUAL COMPILATION

The report of Mrs. Nellie M. Denney, recorder of Putnam county, for the month of December, 1940, is in sharp contrast with that of December of the preceding year, in the item of mortgages. There is a difference of considerably more than \$76,000 in the total mortgages of the two respective months, but in December of 1939 there were recorded some heavy mortgages which had been filed by public utilities operating through Putnam county, the mortgages on their property being recorded in each county of the state in which they do business, although by far the greater part of the property is outside the individual properties.

The mortgages recorded in Putnam county in December of last year totaled only \$9,268 on city and town property in the county, and \$20,673 on rural property.

The deeds filed for record in December, 1939, were 21 in number on city property and 19 on rural. During the same month, 1940, there were 19 deeds for city property and 30 for rural.

STRIKE AVERTED

NEW YORK, Jan. 11 (UP)—Company and union officials reached an agreement early today that ended the threat of a strike at the plant of the Ranger Engineering Division of the Fairchild Engine and Airplane Corporation at East Farmingdale, N. Y.

LETTER EXPLAINS AWARD

A letter has been sent from Purdue university explaining that the valuable scholarship recently awarded by Purdue to Russell L. Grimes, son of Mr. and Mrs. Dallas Grimes of Putnam county, was awarded to him because of his achievements in pig club work, rather than because of his other 4-H club activities.

SURVEY SHOWS STUDENTS AVERAGE MORE THAN SEVEN HOURS OF SLEEP

Parents who worry about their college sons and daughters not getting enough sleep will find comfort in the figures compiled in this study of Student Opinion Surveys of America. Results show students to spend more hours with Morpheus than popularly believed.

Collegians who say they sleep less than seven hours each night constitute only one fifth of the national student body. The other four-fifths get at least seven hours, and of the total, seven per cent say they spend nine or more hours under the covers.

Turning from the field of national questions, the Surveys through its national polling machinery has asked a sampling of all types of students, "How many hours a night do you usually sleep?"

It was found that women, by their own admission, sleep more than do men. Lower-classesmen (freshmen and sophomores) spend more time in bed than do upper-classesmen (juniors, seniors, and graduates).

Notice in the following breakdown

MANY EXPECTED TO ATTEND BALL TONIGHT

Indications today pointed to a large turnout for DePauw's first President's Birthday Ball to be held in Bowman gymnasium Saturday night.

"Warpy" Waterfall, his clarinet and his orchestra, will appear under the sponsorship of Alpha Phi Omega, national scouting fraternity. All proceeds, in excess of the necessary expenses, will be turned over to the National Infantile Paralysis Fund.

A patriotic scheme will be followed in the decorations, with bunting and flags being donated by the local American Legion post. Putnam County interest in the affair is represented by the fact that the city council passed a resolution urging the support of the national charity project.

Stephenson Is Denied Parole

FORMER KLAN OFFICIAL TO BE
RETURNED TO STATE
PENITENTIARY

INDIANAPOLIS, Jan. 11.—(UP)—With commutation or parole denied him, D. C. Stephenson today faced return to Michigan City state prison and the finish of his life term.

Chances of eventual freedom for the one-time Ku Klux Klan grand dragon appeared slight as Governor Townsend last night upheld the state clemency commission's denial of his parole application.

Stephenson also had dropped all court actions, last of many he launched to nullify his conviction in 1925 of the murder of Madge Oberholzer.

The clemency commission, in a brief report, said that after a thorough review of all facts in Stephenson's conviction and evidence presented in hearings Wednesday and Thursday it concluded he "has not served sufficiently to merit the extension of clemency."

It recommended that Townsend deny the petition for parole, and the governor adhered to his usual policy of compliance. It was one of his last official acts before leaving office Monday.

New Lake Will Attract Scouts

BOYS TO FIND AN ADDED FEAT-
URE AT CAMP THIS
SUMMER

Boy Scouts of Putnam county will be attracted to Camp Krietenstein, the official Boy Scout camp of the Wabash Valley Council this summer as a new lake for this camp site is in the process of being constructed.

It is hoped that work on this new lake at Camp Krietenstein will be started within the next month. This much needed improvement is being made possible through the generosity of citizens throughout the eight counties composing the Wabash Valley Council. The construction of this new lake is under the direction of Dr. L. A. Malone, Chairman of the Camp Committee, who is assisted by the various District Committees, the Wabash Valley Council Executive Board and Camp Committee.

Plans provide for an 18 foot dam to be constructed in Crook Creek basin. This lake site will be about 300 yards west of the new council ring. The proposed lake will be from three to five acres in size and will be fed by springs in its basin and by Crook Creek which empties into El River. There will be a concrete spillway and valve so that the level of the lake can be controlled. Recently 40 additional acres were added to this unusually fine camp site which include the natural facilities for this new lake; the Scouts of the Wabash Valley Council will have an ideal place in which to swim, and this new lake will be adequate for boating, canoeing and all types of waterfront activities. The Wabash Valley Council wishes to take this opportunity to express its gratitude to all who have made this program with its many achievements possible.

The present enrollment of the Wabash Valley Council is 1,679 Scouts in 104 Troops with 524 Cubs in 30 Cub Packs under the direction of 145 Cubbers and 749 Scouters. The Wabash Valley Council with headquarters located at Terre Haute is composed of eight counties, Putnam, Parke, Clay, Vermillion, Sullivan and Vigo in Indiana and Clark and Edgar counties in Illinois.

Camp Krietenstein is located 28 miles east of Terre Haute on El River in the southwestern part of Putnam county. The construction of this new lake at Camp Krietenstein will be one of the outstanding achievements of the local Boy Scout Council.

Credit Group Elects Officers

DIRECTORS HELD MEETING FRIDAY AFTERNOON. MAYHALL RE-ELECTED PRESIDENT

The directors of the Putnam County Credit Association met Friday afternoon and re-elected officers for the coming year. Ward Mayhall who has been president the past year was re-elected for another year. Don Ellis was re-elected vice president and Miss Helen Black was renamed secretary and J. B. Crosby is treasurer.

The Putnam County Credit Association has completed one of its most successful years of organization and the old officers were re-elected so that the fine work may be carried on during 1941. Already plans are underway for the continuation of this effort and a new rating book will be issued during the early part of the new year. It will be greatly enlarged over former issues, it was stated.

State Briefs

CRAWFORDSVILLE, Ind., Jan. 11.—(UP)—Everett Waldon, 26-year-old Crawfordsville truck driver, was killed last night when his truck sideswiped a freight train near Avon, N. Y., according to word received by relatives.

HUNTINGTON, Ind., Jan. 11.—(UP)—Edward W. Levelett, 37, died last night of injuries received when he was gored by a bull on the Everett R. Beatty dairy farm near here.

LOGANSPOUT, Ind., Jan. 11.—(UP)—Carey E. Chaner, 78, prominent Cass county farmer and former president of the Citizens Bank at Galveston, was found dead yesterday at his home. Coroner Milton Stewart said he apparently suffered a heart attack.

INDIANAPOLIS, Jan. 11.—(UP)—David Allerdice, Sr., 53, father of Princeton University football star David Allerdice, Jr., died yesterday third victim of a fire that swept the family home here last Sunday. Mrs. Allerdice and a younger brother, Anthony, 7, died after rescue from the blazing apartment home.

SERVICES MONDAY FOR MRS. E. C. DICKS

Funeral services for Mrs. Bernice Craig Dicks, well known local woman who died at her home Friday noon, will be held from the Rector Funeral Home at 1:30 o'clock Monday afternoon. Friends may call at the home on south College avenue until noon Monday at which time the body will be taken to the funeral home.

War Flashes

ROME, Jan. 11.—(UP)—Italian and German planes, collaborating for the first time in an attack on a British naval formation, struck an aircraft carrier and a destroyer in the narrow stretch of the Mediterranean between Sicily and Africa, the high command said today.

LONDON, Jan. 11.—(UP)—British naval pilots flying American Gruman single seater fighters have shot down a Junkers-88 plane, the air ministry said. It was the first time British pilots in an American plane had downed a German plane. All four occupants of the German plane were made prisoner.

MOSCOW, Jan. 11.—(UP)—Izvestie, the government newspaper organ, charged today that "some leading statesmen in Great Britain and the United States were juggling with international law by defending America's right to aid Britain while holding that Russia could not sell even cereals to Germany without violating the policy of peace."

Latin-American Reaction Awaited

WASHINGTON, Jan. 11.—(UP)—Diplomatic circles suggested today that the course of the war at sea might be greatly affected if Latin-American nations follow along with President Roosevelt's proposal to make United States navy yards available to British warships for repairs and outfitting.

As far as this side of the Atlantic is concerned, major raids on British shipping have occurred south of the equator rather than in the north.

South American reaction to the administration's new plan therefore was watched with great interest and there was considerable uncertainty as to the trend it might take.

The U. S. plan to repair or outfit British warships here apparently would override the declaration of Panama which the U. S. and the Latin-American republics entered into as part of their cooperative endeavor to keep the war away from this continent.

While sentiment was slow to crystallize, initial indications pointed toward the possibility that the modificationists and the outright opponents, together, might have sufficient votes to put some restrictions into the bill.

Administration leaders, recalling their previous victories on repeal of the arms embargo and conscription, claimed ultimate victory and put the machinery in motion to start hearings on the bill next week.

Proposals for modifications of the measure met a favorable response, however, among many legislators who were in agreement with the President's general policy of extending much greater material aid to Britain.

While sentiment was slow to crystallize, initial indications pointed toward the possibility that the modificationists and the outright opponents, together, might have sufficient votes to put some restrictions into the bill.

At the office of the Putnam county auto license agency Mrs. Lillie McFerrin, in charge of the agency, this morning said she and her assistants had issued 2,700 pairs of automobile plates for 1941, leaving about 2,000, which is the normal number on hands at this time of the year. Mrs. McFerrin said the agency probably would issue an additional thousand by March 1, leaving another thousand to care for the demands during the remainder of the year.

Election Fraud Probe Ordered

MISSOURI COMMITTEE WILL INVESTIGATE CHARGES OF IRREGULARITIES

JEFFERSON CITY, Mo., Jan. 11.—(UP)—The Missouri legislature today authorized a committee to investigate "unmistakable evidences of fraud and irregularity" in the Republican gubernatorial election of Forrest C. Donnell.

Donnell cancelled elaborate preparations for his inauguration, which had been scheduled Monday. Even before the legislature voted the investigation, it had refused to certify his election.

Gov. Lloyd C. Stark, a Democrat, will remain in office until the investigation is completed.

The committee was ordered to begin its inquiry "not later than Jan. 27."

LAST RITES SUNDAY

Last rites will be held Sunday afternoon at 1:30 at the First Christian church for Rev. Ira E. Cowling, who died at his son's home at Hubbard, Ohio. Rev. H. C. Fellers will be in charge of the services. Interment will be in Forest Hill cemetery.

The body will arrive here at 8:26 Sunday morning and will lie in state at Rector Funeral Home until one hour preceding the services at which time the casket will be open at the church.

LIMITATIONS ON AID BILL ARE LIKELY

BELIEF GROWS THAT CON-
GRESS WILL PUT CHECK ON
PRESIDENT

SENTIMENT IS DEVELOPING

Two-Year Restriction On Sweeping Powers Sought For Roosevelt Is Discussed

WASHINGTON, Jan. 11.—(UP)—Substantial sentiment appeared to be developing in Congress today to impose limitations on the administration's bill for all-out material aid to the anti-axis nations.

A two-year restriction on the sweeping powers sought for President Roosevelt was most widely discussed. A modification to prevent outright gifts of war materials to Britain and the other democracies also was advanced.

The isolationist bloc cried that the bill was equal to a "declaration of war" and a "dictatorship for the United States." It girded for a long and determined fight to kill virtually the whole proposal.

Former President Herbert Hoover and Gov. Alf M. Landon, the 1936 Republican nominee, who never have been aligned with the outright isolationist bloc, also moved into the forefront of the fight against aspects of the bill. Landon, who will make a broadcast on the subject tonight, said the measure was "the first step toward dictatorship by Mr. Roosevelt."

Hoover said it raised the issue of "preservation of democracy in this country."

Administration leaders, recalling their previous victories on repeal of the arms embargo and conscription, claimed ultimate victory and put the machinery in motion to start hearings on the bill next week.

Proposals for modifications of the measure met a favorable response, however, among many legislators who were in agreement with the President's general policy of extending much greater material aid to Britain.

While sentiment was slow to crystallize, initial indications pointed toward the possibility that the modificationists and the outright opponents, together, might have sufficient votes to put some restrictions into the bill.

LANDSCAPE MEETING HELD AT COURTHOUSE

Fifty Putnam county men and women attended the landscape improvement meeting held in the assembly room of the Putnam courthouse, Friday afternoon. This number included the regular county landscape organization, the home and garden group of the American Association of University Women, and the Farm Bureau Progressive Women's organization.

A talk, illustrated by stereopticon slides, was given by R. B. Hull, specialist from Purdue university. He talked on trees, their selections, planting and care, particularly for planting on home grounds. He instructed his hearers how to repair such trees as they are damaged by storms or in other ways. The selection, planting, and care of shrubs for the same purpose was also discussed by Mr. Hull.

F. C. TILDEN MEMORIAL ROOM TAKES SHAPE

The new Francis Calvin Tilden Room, 316 Asbury Hall, is now taking shape. Twenty-two pictures of noted authors which formerly hung in the classroom of Dr. Tilden now cover the walls. He presented these pictures to the university.

The English department has added a large portrait of Dr. Tilden himself in his library. More furnishings will be added sometime in the future according to Professor Jerome Hixson, in charge of the arrangements.

CAFE
ROYALEIT
HAPPENED
IN
INDIANA

Anderson in 1871
(From The Democratic Standard)

Jan. 5, 1871—Over 100 tons of ice have been packed at Pendleton this far this winter.

Mr. E. Helms at Pendleton has two young wild cats brought from California recently, each of which has a tail about 16 inches long. Their power for catching rats is immense.

Jan. 12, 1871—Very small cords of wood sell readily now in town for \$0.25 and \$0.50. If there is one thing needed here it is a wood measure.

Feb. 2, 1871—A California sapling passed through this city on the P. C. & St. L. railroad last week. It was 25 feet in diameter and the bark was ten inches thick.

March 30, 1871—A hitching rack is being put up on the east side of the square for the accommodation of farmers.

Stephenson the sewing machine agent, has disposed of about \$14,000 worth of the Weed machines in two years in this county.

April 6, 1871—A correspondent over at Middletown says during a recent missionary sermon the entire congregation, with the exception of one rustic were melted to tears. When asked why he was unaffected, he said, "I don't belong to this church."

April 27, 1871—Muncie, foolish enough to think that she may some day rival Anderson, is building a

new hotel. It is to be a three-story brick, covering space 65 by 120 feet.

May 4, 1871—The three wagon making establishments of this place are all crowded with work, there being a great demand for wagons turned out by Anderson manufacturers through this and adjoining counties.

May 11, 1871—A stranger went to a church recently and sat down in a pew, when just as he was getting interested in the sermon a rough looking pious church member took him by the collar and threw him into the vestibule. He thought he would stay there and hear the rest of the sermon, when the sexton kicked him off the steps. He went to the side of the church to listen through an open window, when one of the brethren said "Amen" to the minister's remark and then spit tobacco juice out of the window into the listener's eyes. He says a man can't enjoy religion much at that church.

May 25, 1871—The ice cream saloons are beginning to receive good patronage.

June 8, 1871—The cradles made by Wagner and Fisher are having a good sale through the northern part of the state.

A number of persons in town have been shaking with the ague for a few days past, and notwithstanding the extreme warm weather complain of being cold and bundle themselves up with overcoats.

BRIDGE TOURNAMENT

Mrs. Wesley Childers, chairman of the Greencastle unit of the Indiana State Symphony Society's Women's Committee, has received formal notice from the committee's executive board in Indianapolis of the inauguration of a state-wide bridge tournament to be held under the committee's auspices in the 23 Indiana cities where units of this cultural-social women's group have been organized.

According to Miss Marion Hearst, Greencastle chairman for the tournament, each hostess will be asked to provide light refreshments and material for playing. A Greencastle unit bridge prize will be provided from the funds of the tournament.

"The first round of play in Greencastle," Miss Hearst said, "will be from Jan. 20 to 25. The player having the highest score in this round will receive the unit prize. All unit prizes in the state are uniform," she said. "The winner of the unit play will then proceed to compete in the semi-final round of play within the southwest region, of which Greencastle is a part. The semi-final round will be played in the 4 regions of the state between Jan. 27 and Feb. 1. Semi-final play will be directed by Mrs. Edwin I. Poston, Martinsville, Regional Director, and Mrs. Thomas Fleming, Martinsville, Regional tournament chairman. Prizes for the semi-final round played in each region will also be uniform."

FOR SALE: Medium size range stove, cool spring day bed, oak buffet, good upright piano. Jeffries, Berry street.

NEW PROSECUTOR FILES

AN UNUSUAL AFFIDAVIT

A petition which is said to be the first of its kind filed in the Putnam circuit court, and which is the first affidavit filed in the Putnam court by Rexell A. Boyd as prosecutor of Putnam county, asks the court to cite Albert Douthitt to appear before the court and show cause why his license to carry a concealed firearm should not be revoked.

The petition is signed by Lawrence G. Graham, sheriff of Putnam county, and it sets out that "on or about June 22, last year, Albert Douthitt filed an application for a permit to carry an Iver Johnson, 32 cal. revolver "for protection," but, the petition says, without stating what business he had to protect; that he has figured in two prosecutions since then, one of them, being

a conviction in the court of Dent Chaney, justice of the peace, December 18, 1940, on an affidavit signed by Lemuel Patterson, and that there is now pending in the circuit court a surety of the peace proceedings directed against Douthitt, on the petition of Lemuel Patterson.

The petition for the revocation of the license avers "the peace and security of the inhabitants of Putnam county will be endangered if Albert Douthitt is permitted to carry a concealed weapon."

Judge Marshall D. Abrams issued the citation requested, ordering Douthitt to appear at 9 o'clock on the morning of January 16 to show cause for the continuing of the permit to carry a concealed weapon.

In the office of Homer C. Morrison, clerk of the Putnam court, it was ascertained that 40 permits for the carrying of a concealed weapon were issued by the judge of the Putnam circuit court in the year just closed, which number, Mr. Morrison stated, was about the average for each year. The requests for such permits are filed with the county clerk, and are submitted to the judge. If the judge approves, the license is issued. Each applicant's finger prints are taken and are made a part of the record.

Tiger Cubs Claw Rushville Lions Into Submission By 43-25 Count

Putting on a dazzling display of speed in the third quarter, Greencastle's Tiger Cubs forged ahead and soundly trounced the Rushville Lions, 43 to 25, in a high school basketball game at the local gym Friday night.

The first half was a rather listless affair, being slow and ragged at times. Field goals by Young and Pearsey put the visitors into a 4-0 lead after two minutes of up and down the floor, shoot and miss brand of ball had been exhibited by both squads. The Cubs took time out and then Coffey and Crawford connected to knot the count at 4-all. Sharp hit for the Lions but York slipped under the hoop to register and it was 6-6. Rushville made good on 2 out of 3 chances from the charity stripe but York came through with another bucket and the score was tied at 8-8. Greencastle and Rushville were both missing free throws but Crawford, York, and Coffey rang the bell from out on the court and the Cubs were in front, 14 to 12 at half time.

Then came the fireworks! Fans had hardly settled down in their seats for the third quarter, following the rest intermission when Bills, who was inserted in the local lineup for Hammond, the latter having three personals racked up against him, got loose for two buckets in quick order. It was speed and defense versus size, and the Tiger Cubs were working smoothly. The third quarter ended with Greencastle leading, 32 to 17. The Cubs having racked up 18 points in the third quarter to Rushville's 5.

After four minutes of the final period had expired the Cubs were out in front, 39 to 22 and Coach Chet Elson sent in Grimes, Conklin, Agnew and Westfall to finish the contest. A field goal and a free throw by Bills ended the Greencastle scoring and the game concluded with the Purple and Gray drapery agitators winning by an 18-point margin, 43 to 25.

In the curtain raiser, the Greencastle B team came from behind to down the Rushville B aggregation, 27 to 22. The visiting reserves were ahead, 14 to 13 at the half.

Voncastile

"Santa Fe Trail," the new Errol Flynn-Olivia de Havilland co-starring picture, coming to the Voncastile on Sunday, Monday and Tuesday, brings to life some of the most colorful figures of America's history. Dealing with the turbulent days of the era just preceding the Civil War, the story is said to top the thrills of "Dodge City," "Virginia City" and "The Sea Hawk."

Flynn portrays Jeb Stuart, famed cavalry commander, Ronald Reagan is cast as General George Custer, and Raymond Massey plays the fanatical John Brown—three names that ring out of history's pages. Other players who portray real-life characters in the film are Alvin Hale, William Lundigan, Van Heflin, Guinn "Big Boy" Williams, Gene Reynolds and Henry O'Neill. Olivia de Havilland is seen as a feminine "Kit Carson," who captures the heart of young Jeb Stuart.

Granada

Dialogue that snaps like a Conga dance line, dispensed by Dorothy Lamour, Robert Preston and Preston Foster, torrid singing and plenty of dramatic excitement of a tropical nature, constitute just about what to look for in "Moon Over Burma," Paramount's new film scheduled for Sunday, Monday and Tuesday at the Granada Theatre.

A vehicle ideally attuned to the talents of the three starring players, "Moon Over Burma" wastes no time with the usual devices of establishing that this is a jungle picture, fellers, and people sweat in it and so on. It starts right off with the two male leading players meeting Miss Lamour, a-singing and a-slaying her lovely life away in a place in Rangoon. She yodels a brace of tunes called "Mexican Magic" and "Moon Over Burma" and they belong to her forevermore. That new short hair-do of Lamour's wows 'em too!

INCORPORATED TOWN HAS 9

SIOUX FALLS, S. D. (UP)—Final population figures for South Dakota cities and towns show Witten, S. D., to the state's, if not the nation's, smallest incorporated community. Witten, situated in Tripp county, lost 298 residents since the 1930 census. It now boasts a total population of nine persons.

Girl Studies Aero-Engineering

VANCOUVER, B. C. (UP)—One of Canada's leading aeronautical engineers in years to come may be a woman. Edna A. Clarke of Penticton, B. C., is studying engineering at the University of British Columbia. She is the sole representative of her sex in the faculty of applied science, and the fourth girl in the history of U. B. C. to elect engineering.
